

## 2011 Mission Central Annual Report

In 2011, Mission Central stood strong and responded swiftly and efficiently to the needs of the community, the Susquehanna Annual Conference, and the Northeast Region of the United States. Through our membership in the United Methodist Committee on Relief (UMCOR) Network and our twenty-four member HUB System, we responded immediately to the Mississippi River, Hurricane Irene, and Tropical Storm Lee flooding. The staff, volunteers, HUB Coordinators, and Conference Disaster Coordinators all participated in a smooth, clear, communicative way, allowing for effective ministry to thousands.

2011 distribution follows (see graph):

- 44% State of Pennsylvania
- 44% Other US states
- 12% Internationally

The operating budget for 2011 was \$321,000 and we expect to hold at \$323,000 for 2012. In addition to the operating budget there is \$100,000 dedicated to debt service. We receive no ministry shares and rely solely on individual, church, and group donations.

With nearly a ten-year history of stepping out in faith, Mission Central continues to be a strong, supported, transformative ministry affiliate of the Susquehanna Annual Conference. I fully anticipate 2012 to be a year of wonder and amazement as we allow God to continue to work through us and this amazing ministry.

In service to Christ,

Rev. Rob Visscher  
Executive Director

## GOD MOMENTS

### Local 4-H Girls Moved to collect socks

They had no idea who they would give them to yet the motivation remained strong. Who would receive and be blessed by them? The answer came one day after they dropped off their collection at Mission Central when a shipment was scheduled to leave for Guatemala through Mi Refugio. The socks were included and now 180 orphans who call the garbage dumps and landfills of that nation "home" have socks to wear as well as other supplies. And the 4-H'ers were amazed and blessed knowing, in the end, why they did what they did and who would benefit from their efforts.

### Received by the YORK HUB after flood

"Because of your ministry, I was able to share the Gospel with two different homes, and they accepted the invitation to make Jesus their Lord and Savior. Please pray for Jeff and Marion that the seed falls on good soil. I can't thank you enough for the kits you put together. God bless you and your ministry." –Otterbein Church Local Outreach

### Executive Director received this

"We would like to thank you and Mission Central for generously donating school supplies and toiletries to the Allison Hill Community Ministry. Your participation in the Allison Hill Back to School Fundraiser made the lives of 40 children in the after school program much brighter." Blessings, Son Day Sisters, Aldersgate United Methodist Church
